

REMARKS

The Examiner indicated that claims 6-12 would be allowed if amended so as to incorporate each limitation from each claim from which they respectively depend and so as not to depend from any rejected claim. By this amendment, claims 6-12 have been so amended. Claims 1-5 have been cancelled without prejudice. All of the claims remaining in this application having been indicated as being allowable, allowance of this application is respectfully requested.

The Commissioner is hereby authorized to charge the \$200.00 fee for two independent claims in excess of the three previously paid for, as well as any other fees which may be required to constitute this a timely response to the December 5, 2006 official action to undersigned counsel's deposit account 10-0435, with reference to our file 6631-27092. A duplicate copy of this authorization is enclosed for that purpose.

Respectfully submitted,
